Summary

"~Hello World~"

My name is Kaushik Chakraborty I 'm a Computer Science student with a passion for problem-solving and a drive to stay up to date with the latest technologies. I am currently pursuing a Bachelor's degree in Computer Application and am looking for opportunities to expand my knowledge and skills in the field. My experience includes developing applications in Java and Python, as well as developing websites using HTML, CSS, and JavaScript. I have also worked with databases such as MySQL and MongoDB. I am eager to learn new technologies and develop innovative solutions to complex problems.

Aside from my studies, I enjoy spending time outdoors and cycling . I'm passionate about singing and I love playing video games as a hobby. As a CS student, I am also passionate about exploring new technologies, exploring open source projects and developing real-world applications.
